INTRODUCTION AND GENERAL INDEX

H. A. MANNING CO., publishers of Directories for over 300 Communities, presents to subscribers and the general public, the latest edition of the City Directory.

The City Directory is a mirror truly reflecting the community to the world. It instills in the community confidence in the continued growth of industry and wealth of the community and pride in its economic and social advancement.

MANNING'S staff of experienced personnel and the courteous and hearty cooperation of business and professional men and residents has firmly established our reputation as publishers of the very best in directory service. This source reference of authentic information about your community and its residents will become an indispensable part of your library.

FIVE MAJOR DEPARTMENTS

The five major departments are arranged in the following order:—

I. THE DESCRIPTIVE SECTION is the first major department printed on white paper. It contains information about statistical review, historical sketch, manufacturing, trade and civic surveys, luxury advertising displays, and indexes.

II. THE YELLOW PAGES constitute the second major department of the Directory. This department contains the only complete list of the names and addresses of the business and professional concerns of the city, arranged in alphabetical order under appropriate headings—a catalog of all activities of the city. Preceding the catalog, likewise grouped under appropriate headings, are advertisements and business cards of firms and individuals desiring to present a more complete list of their products or services than is possible in the catalog itself. The Yellow Pages present reference advertising at its best, and merit the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified community the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller and plays an important role in the daily activities of the commercial, industrial and professional world.

III. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the third major department printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident, and the name, official personnel, nature and address of each firm, corporation and organization in the city.

IV. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE NUMBERS, on pink paper, is the fourth major department. In this section the streets are arranged in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of tenant-owned homes, the indication of telephone subscribers at homes and places of business, and the phone number if available.

V. THE NUMERICAL TELEPHONE LOCATER, on green paper, is the fifth major department. All listed phones for the area are arranged by exchanges and under each exchange, when available, in numerical order with the name of the phone holder indicated. The NTL is issued as a separate Booklet this edition.

COMMUNITY PUBLICITY—The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business center, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium and community service.

PUBLISHERS' NOTE—The information in this Directory is gathered by an actual canvass and is compiled in a way to insure maximum accuracy.

The publishers cannot and do not guarantee the correctness of all information furnished therein, nor the complete absence of errors or omissions, hence no responsibility for same can be assumed.

The publishers earnestly request that any inaccuracy be brought to their attention so that it may be corrected in the next edition of the Directory.

RUTLAND

"The Marble City"

RUTLAND COUNTY

The photo on the cover gives some idea of how attractive the Greater Rutland area (generally known as the Rutland Region) is for homes, businesses and industries to locate and expand. For healthful and attractive location it is doubtful if any section can offer more than The Rutland Region. Highways in seven directions. North - South and East - West Airline Service. The purest of mountain brook water feeding its reservoirs.

The distance across the valley at Rutland is some 20 miles east and west; north and south is unlimited. Nearby in all directions lies particularly pleasing sports and playgrounds, with lakes, mountains and valleys. Winter and summer sports have become a substantial industry. New industries are coming to Rutland. Major consumer markets are in this section of the county. A spirit of welcome always prevails.

LOCATION - Rutland, known as "The Marble City" is located midway of the State north and south. It is about 15 miles from the western boundary and has many of the characteristics of the great neighboring State of New York. Distances as follows to important eastern points: New York City 250 miles, Boston 167, Montreal 158, Philadelphia 325, Baltimore 420, Burlington 68, Montpelier 66, Bellows Falls 51, Glens Falls 50, Bennington 57, North Adams 77, Ogdensburg 210, St. Johnsbury 106, Brattleboro 77, Schenectady 92, Buffalo 359, Chicago 909, Elmira, Troy 86, Albany 98.

TOPOGRAPHY - Probably no important city in New England has so grand a setting as Rutland. The city lies among picturesque lakes and streams, the encircling mountains, are near, yet far enough away to give plenty of building room, and the broad valley running north and south for many miles is one of the beauty spots of America. Noted mountain peaks of the Green Mountain and Taconic ranges can be seen from high parts of the city. The highest peak visible is Mt. Killington, over 4,241 feet. City is 561 feet above sea level. Rutland County contains an area of 594,560 acres, water area of 46,725 acres. Rutland Airport 780 feet above sea level.

HISTORICAL - The history of Rutland vies with any city in the land of interest. It was settled in 1761, and by 1774 there were 35 families. In common with all frontier settlements it suffered from the depredations of the Indians, and also from the Colonial and Indian Wars. Probably named after Rutland Massachusetts, because the first grantee of the charter of township was a John Murray from that town. Incorporated a city in 1892.

RECREATIONAL - Rutland is happily situated for the health and pleasure of its citizens and visitors in their leisure hours, and Rutland is in the midst of an outdoor country of great appeal. It is located in a broad valley, and looking to the east is the incomparably beautiful Green Mountain range, with its Killington, Shrewsbury and Pico Peaks forming a most fascinating skyline. To the west are more unusually beautiful mountains, Birdseye Mountain and the northern end of the Taconic Range forming the western wall of a very attractive valley running into Massachusetts and the Berkshires and to the north a broad valley reaching into the Champlain Valley. From any high point in the city of Rutland can be seen Taconic range mountain peaks to the southwest, which separates Vermont from New York state.

It is probable that no place exists in northeastern United States with more natural advantages for outdoor sports and recreation. In summer the atmosphere is buoyant and healthful and lends to physical activities, whether on the golf course, tennis courts, swimming pools or parks. Mountain climbing within a few miles of city. The trail to Mt. Killington, over 4,200 ft. in height, is a notable mountain climbing adventure. For lesser climbs there are Shrewsbury 3,700 ft. and Pico 4,000 ft., and trails in the Green and Birdseye Mountains. Lake Bomoseen at a distance of 12 miles is of crystal clear water, some 10 miles long. Lake Dunmore, 26 miles north of the city, on U. S. Route 7, is also a Rutland recreational attraction for camping, boating and bathing, with several other lakes nearby.

The proximity of the "Long Trail" passes within 10 miles of Rutland doubling along the ridge of the Green Mountains, and crossing following highways: 11 east of Manchester Center, 103 east of Wallingford, U. S. 4 east of Rutland, and 115 east of Brandon, also an unimproved highway east of East Clarendon at Cold River. This trail skirts the peaks of Killington and Pico. This is one of the most famous trails in eastern North America, and is popular. Rutland is one of the supply points on this trail.

Six of Vermont's finest ski areas surround Rutland. Pico Peak has long been a favorite of ski enthusiasts and the Killington Basin Ski Area both recently expanded, including the longest gondola ride (3½ miles) in the nation at Killington. Recreational Rutland

JOHN W. CIOFFREDI, Supt.—Office at
Edward W. Lawrence Recreational Center, 86 Center St.

In promoting a greater and better city it has been the aim of the planners of future Rutland to give full emphasis to the pleasure and health aims for our citizens. Foremost on this plan is the Municipal Recreation Department which offers a year-round recreation program for all ages interests and abilities. Other natural recreation facilities include hiking, mountain climbing, trail tramping, snowshoeing, skiing, camping, picnicking, and just pure relaxation in the buoyant, healthful atmosphere of Rutland County.

The Municipal Recreation Department of Rutland has a large recreation center, five playgrounds, 2 mini parks, 8 tennis courts, two swimming pools, 2 softball fields (1 illuminated for night games), 1 midget league field, 2 outdoor basketball courts, three ice skating rinks, one ski tow, and a day camp program. The program of the Recreation Department is a year-round schedule of physical, artistic, aesthetic and educational activities of all age groups, temperaments and interests, including well known summer band concerts and Rock concerts. The Recreation and Parks Department also sponsors a Senior Citizens Center for all the city's senior citizens.

Rutland County also offers excellent bass, trout and pike fishing in its many lakes and mountain streams. A record number of deer were taken during open season in the county woods. Foxes, rabbits, and bears are also plentiful.

Rutland offers great potential for winter sports with tow of Vermont's finest ski areas within 15 miles of the downtown section.

EDWARD W. LAWRENCE RECREATION CENTER

Competitive sports of our High Schools with those of other cities and towns in Vermont and neighboring states have long been outstanding. Baseball, Football, Basketball, Tennis are part of the regular school schedule of athletics.

Rutland has received recognition from its excellent junior ski program. Junior skiers from Rutland walked off with national honors and continually place among the top competitors in the eastern United States.

It is coming increasingly into the picture of Recreational Rutland that this is a very healthful climate and sports are a part of that climate.

The JACKRABBIT

This is the scatback type who zigs and zags through traffic like a frightened bunny. He may be a fat, puffy old geezer who couldn't waddle 100 yards in 10 minutes. But behind the wheel of his car he's the shiftiest, most swivel-hipped jerk on the road.

HOW MANY CHANGES IN A YEAR?

Out of every 100 People as listed in the last Directory

16% to 18% Move away or die

17% to 19% "New" people move into town or reach listing age.

26% to 29% More change their addresses or their jobs or some other vital fact that affects their listing.

(All that's left that's good)

Making a total of 59% to 66% of the People listed who have new information in some particular which can be surely found only in the **NEW DIRECTORY**

Note: These figures are from repeated checks in numerous cities and do not vary 5% in any one year.

THAT IS WHY NEW DIRECTORIES MUST BE PUBLISHED EVERY YEAR.

Do you cash checks?

For cashing a stranger's check, the police department of Tacoma has given sensible rules. The home address should appear on the check and **BE VERIFIED BY THE CITY DIRECTORY**; this and the name should be checked with the driver's license of the man trying to cash the check; also against his bank book. Signatures should be compared. A LOT OF QUESTIONS AS TO THE MAN'S NAME, HIS WIFE'S NAME, WHERE HE WORKS, WHO ARE HIS NEIGHBORS, ALL HELP and can be verified in the City Directory. If he admits being from out of town, his check is a risk. F.F.I.—For Further Information Use the City Directory!!

My town is the place where my home is founded; where my business is situated; where my vote is cast; where my children are educated; where my neighbors dwell, and where my life is chiefly lived. My town has a right to my civic loyalty. It supports me and I must support it. My own town wants my citizenship, not my partisanship; friendship, not offishness; cooperation, not dissention; sympathy, not criticism; intelligent support, not indifference. My town supplies me with law and order, trade, friends, education, recreation, morals, and the rights of a freeborn American. Therefore, I should believe in my town and work for it.

TO FIND A NAME YOU MUST KNOW HOW TO SPELL IT

There are many ways of spelling some names with practically the same pronunciation

When the name of a corporation, factory or firm appears immediately after the name, it indicates the place of business. After the name of the street, the word "Street" is omitted.

The post office address is given only when the same does not correspond with the name of town.

When "res inq (residence inquire)" appears in a personal listing, it indicates - - for home address inquire at business address as listed, due to personal request or incomplete information.

CONTAINING A FULL LIST OF STREETS AND ROADS WITH DESCRIPTION
OF LOCATION, INTERSECTING STREETS AND THE DWELLING AND
BUSINESSES LOCATED THEREON.

Residences and places of business are designated by their street numbers numerically arranged. Where the houses are not numbered, the householders are arranged in the order that they appear on the street. (mh) before the name indicates mobile home. Figures or letters in parentheses preceding names indicate number of room or floor in building.

The phone numbers listed after the occupant's name are those given to our enumerators as applying to the address. We advise users to verify the phone number by referring to regular and recent edition of the phone book as issued by the telephone company.

The publishers cannot assume any responsibility if unlisted phone numbers are given us at the phone address and listed therein. The symbol ® indicates that information has been secured that the house is owned by some member of the family. The publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes. No responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

Numbers in parentheses following street description are for Publishers use only.

"No Report" indicates that enumerator was unable to get complete information at the address by personal call, telephone or mail. After the name of the street the word "street" is omitted. Area Code 802. Telephone Exchange 459. ZIP CODE 05765.

MANNING'S 1978 WEST RUTLAND NUMERICAL STREET DIRECTORY

HOUSEHOLDER, TELEPHONE & PROPERTY OWNER LIST

Copyright 1978, by H. A. Manning Co.

CONTAINING A FULL LIST OF STREETS AND ROADS WITH DESCRIPTION
OF LOCATION, INTERSECTING STREETS AND THE DWELLING AND
BUSINESSES LOCATED THEREON.

Residences and places of business are designated by their street numbers numerically arranged. Where the houses are not numbered, the householders are arranged in the order that they appear on the street. (mh) before the name indicates mobile home. Figures or letters in parentheses preceding names indicate number of room or floor in building.

The phone numbers listed after the occupant's name are those given to our enumerators as applying to the address. We advise users to verify the phone number by referring to regular and recent edition of the phone book as issued by the telephone company.

The publishers cannot assume any responsibility if unlisted phone numbers are given us at the phone address and listed therein. The symbol (H) indicates that information has been secured that the house is owned by some member of the family. The publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes. No responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

Numbers in parentheses following street description are for Publisher use only.

"No Report" indicates that enumerator was unable to get complete information at address by personal call, telephone or mail. After the name of the street the word "street" is omitted. Area Code 802. Telephone Exchange 438. ZIP CODE 05777.
